

ÖZGÜR YAZILIM VE LINUX GÜNLERİ 2011

~ ISTANBUL BİLGİ UNIVERSITY DOLAPDERE CAMPUS ~

This event, annually organized since 2002 and for the third time with the joint efforts of Istanbul Bilgi University and the Turkish Linux Users Association, being the largest free software and Linux oriented event in Turkey receives a lot of attention from the general public as well as the private sector.

We hope, with our experience from previous events, to further spread the use the awareness and use of Linux and free software in Turkey by bringing together the free software and Linux communities together.

We hereby invite you to sponsor Free Software & Linux Days event scheduled for April 1-2 2011 which will bring together over 4000 visitors from the public and private sectors, IT professionals, students and Linux enthusiasts.

Best regards,
Hakan Uygun
